I, the Course Participant identified above, in consideration of my acceptance to the Course, and for other good and valuable consideration, represent, warrant, and agree, as follows:

1. My decision to attend the Course is based solely on my personal experience thus far with the Oneness Blessing. I acknowledge that participating in the Course is for self-development and personal enrichment, and affirm that I freely and voluntarily choose to participate in the Course. No promises or warranties of any benefits or particular results have been made to me or have influenced me to enter into this Agreement or participate in this Course.
2. I understand that neither the Course nor my role as a Oneness Blessing Giver, Oneness Trainer or participant in the Course involves the acceptance of any belief or lifestyle, and that the Organization does not offer any guidelines with respect to particular personal or professional decisions that I may be making in my life.
3. I understand that my acceptance for participation in any activities conducted by the Organization is specifically conditioned upon my unequivocal willingness to take full and complete personal responsibility for my own personal health and safety, and the safety and security of my personal property, while traveling to and from the Course and while attending the Course.
4. I am presently in good mental and physical health. I understand that the Organization’s activities may take place in remote areas far away from healthcare professionals and that my participation in activities that are part of the Course may from time to time result in physical, emotional and/or psychological discomfort and I represent that I can undertake such activities without risk of injury to my health. I understand that if I have any question about my health I should consult with my doctor or other healthcare professional before applying for the Course.
5. I have adequate insurance to cover (a) any medical treatment I may require during or following my participation in the Course as a result of illness or injury to me; (b) any damage that may occur to my personal property during or following my participation in the Course; (c) any injury to others or damage to the property of others that I might cause while participating in the Organization’s activities. I further agree that even if the preceding representation is not accurate I shall personally bear any and all expenses and costs associated with all of the health-related and property damage contingencies described herein and, if the Organization finds it necessary to

expend funds on my behalf in a medical emergency, I agree to reimburse the Organization for all sums expended on my behalf.

6. I understand that no activities in which I may participate during the Course are a substitute in any way for treatments ordinarily administered by health professionals for physical or psychological complaints, and that neither the Organization nor any of its representatives give, under any circumstances, advice on medical or psychological treatments.

7. I agree that if the Oneness Guides conducting the Course (the "Guides") should, in their discretion, recommend that I seek medical treatment, or in the event I shall otherwise require medical treatment, I may be referred by the Guides to local physicians or to a medical or other facility, and shall, at my own expense, obtain appropriate medical treatment. I acknowledge that in making such a referral, neither the Guides nor any other person associated with the Organization or the Organization itself provide any guarantee regarding the quality of care that I will receive from such local physician or medical or other facility.

8. I shall comply with all Course rules and regulations and will conduct myself in a manner that will not disrupt the smooth functioning of the Course. If, however, the Guides determine, in their sole discretion, that my conduct is inconsistent with the smooth functioning of the Course, I will comply with any request to leave the Course and with all appropriate rules and/or conditions related to my departure.

9. I understand that there is no fee for participation in the Course itself, but that I will be charged for room and board, a registration fee and for my share of the cost to the Organization of various special activities that may be offered during the Course and I agree to make payment therefor prior to beginning the Course as required by the Organization.

10. I agree that the Organization and its affiliates are dedicated to benefiting the individual, society and the world, and that all of their resources and energy are used to fulfill these valuable purposes. I desire to ensure that the activities of these organizations and the individuals who work for them are not hindered by the expense and other burdens involved in defending legal proceedings. I agree not to bring any legal actions against these organizations or the individuals who work for them for any negligent or non-intentional acts or omissions. I further agree that the Organization or individuals involved in any way with the Course and the agents or employees of the Organization shall not be liable for any claims based on negligence or damages of any nature arising out of my participation in the Course or my continued participation in the Oneness Blessing. I release these organizations, agents, employees and individuals from all such claims and damages, and for all breaches of expressed and implied warranties (including warranty of merchantability). The Organization and any of its affiliates shall be entitled to enforce this provision of this Agreement by injunctive relief as well as be entitled to any other legal or equitable remedy.

**11. MEDIATION AND ARBITRATION: If any issue or claim arises between the parties, both agree to seek in good faith to resolve such issue or claim through negotiation using, if necessary, the assistance of a mutually agreed upon third party mediator. If such negotiations are not successful, any controversy or claim arising out of or relating to this Agreement or any breach or default under this Agreement, shall, with respect to all claims pertaining to such controversy, claim, breach, or default (except any action for equitable relief with respect thereto), be settled by arbitration in a state or country determined by the Organization, on a confidential basis, by arbitration before a single arbitrator selected in accordance with the then-prevailing Rules of Commercial Arbitration of the American**

**Arbitration Association. The arbitrator shall have the discretion to determine the appropriate scope and schedule of discovery. The arbitrator shall not contravene or vary in any respect any of the terms or provisions of this Agreement. The award of the arbitrator shall be final and binding upon the parties hereto, and judgment upon any award rendered therein may be entered and enforced in any court of competent jurisdiction. Neither this arbitration provision nor a pending arbitration shall prevent a party from seeking or obtaining injunctive relief for any matter at any time.**

12. I acknowledge that my participation in the Course will expose me to certain information, knowledge or teachings (“Knowledge”). This Knowledge constitutes information that is provided to me for my own understanding and is provided to me only in the unique circumstances under which the Course is conducted by its Guides. I understand that the Organization has not undertaken through this Course to train me as a teacher or instructor with respect to any of the Knowledge and I agree that I will not represent myself to the public in any manner at any time as a teacher or instructor trained by the Organization, unless I have successfully completed such other courses as the Organization may offer that are specifically designed to train me for such purposes. I hereby agree to not attempt to compile and distribute the Knowledge to the public by website, email, printed matter or by any electronic or other means.

13. To protect the purity of the Oneness Blessing and all Oneness teachings, I hereby agree as follows:

13.1 The Oneness Blessing and Oneness teachings refer to all unique names, information, methods, compilations, techniques, processes, principles, programs, procedures, compositions, modes of production, process and product applications and uses, and products, relating to the offering and knowledge of the Oneness Blessing and Oneness teachings.

13.2 The owner of all trademarks and service marks (“Marks”), trade secrets and confidential information related to the Oneness Blessing and Oneness teachings is For World Peace Pte. Ltd., a Singapore corporation (the “Owner”), which is affiliated with the Organization. The Marks include those used by the Organization at any time, including, but not limited to those listed (as modified from time to time) on any Website maintained by the Organization from time to time.

13.3 I understand that I have not been granted by Owner, the Organization or any of its affiliates, in connection with my participation in and/or completion of the Course, permission to use the Marks, trade secrets and confidential information in any manner whatsoever.

13.4 I expressly recognize and acknowledge that all use of the Marks, trade secrets and confidential information and the goodwill connected therewith inures to the benefit of the Owner. Further, I acknowledge that I have not acquired and will not acquire any right, title, interest or claim of ownership in the Marks, trade secrets and confidential information.

13.5 I acknowledge that the Marks have a valuable reputation, and a distinctive meaning to the public and I agree that I shall not, at any time, use any name confusingly similar to or in the reasonable judgment of Owner, the Organization or any of their affiliates suggestive of the Marks.

In the event of any violation of the terms of this Section 13, Owner, its affiliates and any authorized Trainer shall be entitled to an injunction, and other equitable relief, to prevent a breach of this Agreement in addition to any damages to which such party may be entitled.

14. I agree that the representations, warranties and agreements that I have made in this Agreement may be relied upon and/or enforced not only by the Organization but also by all of its affiliates anywhere in the world, for their own benefit and protection. I also agree that the Organization and/or licensed affiliates may intervene at any time in any proceeding involving a Oneness Trainer, or an organization, in order to enforce the provisions of this Agreement for the benefit of itself, the Oneness Trainer or other organization.

15. I have read and understand everything in this Agreement, and I intend to be legally bound by it. I understand that I am being accepted to the Course on the basis of my responses to the questions in the Course application and my representations, warranties and promises expressed in this Agreement and I represent that everything that I have expressed in such application and this Agreement is accurate and true.

16. This Agreement contains the entire understanding between the Organization and me, and shall supersede and replace any other agreements previously made between us; provided, however, that I shall continue to be bound by any prior agreements between us with respect to my status as a Oneness Blessing Giver, Oneness Trainer, or participant in any other programs whatsoever offered by any Oneness Trainers, the Organization or its affiliates. This Agreement may be changed only in a writing signed by the parties. Notwithstanding any other statement in this Section 16, any understanding of the parties set forth in the Application for the Course that is not addressed in this Agreement shall be binding on the parties as if incorporated into this Agreement. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed as of the dates set forth below.
